

## Directions to the Donaghey Student Center (Old Trojan Field House):

1. Take University Avenue South
2. Turn Left onto University Drive
3. Turn Left on Campus Drive
4. Park in lot 2 across from Donaghey Student Center

### Important Places

Admissions and Financial Aid are located in the Admin South building.

The Donaghey Student Center (DSC) is home to:

- Dining Services / Cafeteria
- Fitness Center and Aquatics
- Bookstore
- Health Services

Additional dining locations can be found in the Reynolds Business building, the Engineering and Information Technology building, and in the University Commons near student housing.

Computer Labs open to all students are located in Ottenheimer Library, and additional labs operated by various departments are located throughout campus.

### Pardon Our Progress

Be prepared to encounter building construction zones in these areas:

North of the Donaghey Student Center, where a One-Stop Student Services Center is being built to house the most commonly visited administrative offices in one convenient location.

Behind Fribourgh Hall and adjacent to ETAS, under construction is a five-story Center for Integrative Bio Nanotechnology Science (CIBNS).

A fourth Residence Hall is being constructed near the others, designed to be a part of the residence village bordering on Fair Park Avenue. The six-story building will provide housing for approximately 370 students.

On the south of campus across Asher Avenue, under construction is a Recreation and Sports Complex to include track and field/soccer facilities.

### Help!

Are you lost? Do you need directions to a specific location on campus? Call 501-569-3000

Additionally, you can visit the University web site at [ualr.edu](http://ualr.edu) and use the A-Z Index to directly contact an Office / Department / Individual.
